THE PLACES OF SPORT, THOSE OF PLAY, THE MURA MURA CELLAR AND THE RADICI RESTAURANT
LEND THEMSELVES TO CREATING, AS A TEAM, WHAT HALFORD EDWARD LUCCOCK SAID:

“NO ONE CAN WHISTLE A SYMPHONY.
IT TAKES A WHOLE ORCHESTRA TO PLAY IT.”

PANORAMIC TERRACE

Le Marne hosts your work group: up to 60 guests can enjoy 30 hectares, on the border between the Langhe and Monferrato, where they can build a close-knit team, whose protagonists realize - by working and playing together - how important they are, for each other.

A room equipped with video and cameras for external connections will be the ideal place for each brief and subsequent debrief.
